A GREENER APPROACH TO GIVING

Churches, because of their heavy weekly check volumes, were among the earliest organizations to embrace electronic giving as a way to automate contributions. Today, electronic giving in all its forms provides convenience for frequent check writers and donation consistency for churches.

A less frequently discussed benefit of electronic giving is its positive impact on the environment. An enormous amount of natural resources are consumed in the production, transportation, processing and disposal of paper checks. That's why paying bills electronically always ranks high on any list of actions an individual can take to improve the environment. The trend toward electronic payments has already produced more than a 50% decline in check use since the year 2000.

As you consider the payment method you use to make your regular offering, we hope that you will think about the unique connection between financial stewardship and environmental stewardship. If you would like more information, or would like to sign up, brochures are available at the Information Desk. If you have questions about automatic giving please call Erica at the church office.

CALL TO CONFESSION

PRAYER OF CONFESSION

God of light and love, we are called to see the light of Jesus Christ and reflect it to the world around us. Instead, we can live in the shadows of greed, fear, resentment, jealousy. We bring the darkness of mistrust and brokenness into relationships. We do not confront the evil around us with the illuminating righteousness and justice of God. We block the light of God’s Word. Send us your Holy Spirit to heal us and renew us, O God. Forgive us and restore in us the courage to let our light shine for Christ. In His name we pray...

In Jesus Christ, we are forgiven.

2012 GIVING ENVELOPES

I'd like to extend a big thank you to everyone who has picked up their 2012 giving envelopes from the table in the Hunter Building! We're able to save \$2.09 in postage for every set that we do not have to mail. In an effort to continue the cost savings, I will be leaving the remaining envelopes on the table two more weeks giving those folks who may have been out of town for Christmas time to pick them up. If you did not find your set of envelopes in the box please call the office or check the proper box on the pew envelopes and I will be certain to get you a set. I will be setting those "special order" envelopes out on the table so please check back the following week to see if they have appeared.

On a final note, I have found that some folks are being extra helpful and grabbing envelopes for friends or family members. Unfortunately, I have received several phone calls that those envelopes are not making it to the proper folks in a timely manner. While I greatly appreciate the extra help I would ask that you only take envelopes assigned specifically to your household.

A HUGE THANK YOU!

Thank you to ALL of the volunteers who helped with our office remodel. We had over 20 people help move all the furniture out and tear up the old carpet on Monday, Dec. 26. On Saturday, Dec. 31 we had people come back to help us move everything back in. We are so grateful for the generosity and giving of this congregation! Thank you for making this project happen!

VOLUNTEER HELPERS NEEDED

The Children & Family Ministry Committee has an opportunity for a few members to volunteer as Helpers in the Heart Shapers Sunday School class (ages 3 through Kindergarten). Helpers are to be present in worship until the **Children’s Message, move up front with the kids, escort them upstairs with the teachers, and assist the teacher with projects and games until worship concludes and the parents pick up the children.** Helpers are in a rotation for a specific Sunday of the month; currently, we have the 2nd, 4th and 5th Sundays available. If you love children, this is the perfect opportunity to help minister to the little ones on an occasional basis without the need to prepare a lesson and polish your teaching skills! If you are interested, please contact Lisa Bickel, Heart Shapers Coordinator, at 208.651.6223 or idaholisabickel@yahoo.com
